## Address from our President

Well what a busy last few months Our RSL Club has had.

ANZAC day dawn service and subsequent gun fire breakfast was very well attended. Our members, Veterans and their families and friends had a great environment to catch up and remember.

We have continued on with our Service member lunches and pushing ahead with our support to the Veterans and community welfare, see the welfare report for more details.

To assist with this we have refurbished our Little House at 5 Station street to be our Welfare centre and to house our Library and memorabilia.

Roger Hyde and Jim Dale, with the assistance of Mick Bennett and Kevin Tucker have done some fantastic work to get the Little house up to scratch.

So, feel free to drop in during the day and say hello, have a cup of tea and check out the memorabilia.

Daryl, our Club Manager, along with our team of Staff, have continued to provide excellent service over the last few months and I am sure this will continue into the future.

Please remember that manners and courtesy cost you nothing and ensure a family friendly Club atmosphere.

As you will know it is the Centennial of Armistice this year and the Club is making every effort to support our appeals team to raise as much funding as possible.

To assist this appeal we have booked the BBQ at Mentone Bunnings over 5-8 November and will need some assistance over that time. If you have a couple of hours to spare to help cook or serve a sausage or maybe even sell badges, please contact Roger or Jim in the Little House or let Christine in the Office know and she will pass on your details.

Regards,

Jordie Burgess

## **Highett RSL Managers Message**

Well it's that time of the year, what the year to date has delivered! What will our future bring? If only we knew.

As you would have witnessed your club is still trading extremely well and on track to exceed budgeted projections for 2018.

Our famous service members' lunch in August attracted over 120 members who experienced another memorable day of a great lunch and refreshments. If you were unable to make the last lunch it's on again Monday 12th November 2018 so keep this date free.

During the year of anticipation, the AFL season ended with a twist. Who would have thought West Coast and Collingwood in a 2018 Grand Final. Congratulations West Coast Eagles, a disappointing result for the rest but there is always next year.

Yes, it's Spring and we can turn our heads to our second opening of the 'Craft Beer Fridge'. On the 11th of October the Highett RSL will be holding a Craft Beer Tasting night just in time for the racing season.

Our Traditional Cup Eve 'Calcutta' night is just a warm up for the big day – the 2018 Melbourne Cup. Our TAB will open at 9am and Terry in the Bistro has Race day specials not to mention his famous grazing platters which need to be ordered by the 1st November. Just saying, what would Melbourne Cup be without Oaks Day Ladies Dress up where your fancy hat and our champagne specials will apply.

November brings with it a reminder of a major event for the RSL, Remembrance Day on the 11th. The 100th anniversary of Armistice. We will conduct our commemoration service at the club so for all those attending please be there by 10.45am sharp. Don't forget to buy a poppy.

As a timely reminder your membership is due early November. For those who took up on the 3 year option last year you're still financial for another 2 years. Reminder letters will be sent in October and just remember you can pay with your points and we would encourage you to do just that.

Membership has continued to grow and welcome to the 195 new members over the last 3 months. It has been great to catch up with so many of you over the last few months hearing your positive feedback.

Don't forget On November 18<sup>th</sup> the band 'Yellow' is performing (same band as NYE) starting at 2pm and finishing at 5pm.

As we are coming into the silly season please be aware our bistro is booked out most nights so please book early, As of Monday the 1st October Christmas lunch bookings are now open if you wish to spend the day with us please book now.

Talking about Christmas, the Highett RSLs children's Christmas party at Turner Road Reserve will be held on the 9th of December, see page 9 For more details.

Now for the Highett RSL NYE Party. A night of celebration and dancing with Yellow farewelling 2018 and kick starting the New Year off in fine fashion with the songs of the 60's 70's and 80's and it's FREE.

Finally, I would like to thank you all our loyal members and families for your support over the year and of course our staff who do fantastic work and sometimes face difficult challenges. A big 'Thank You', it ensures the Highett RSL is the first-choice venue for our members.

Daryl Absalom

Highett RSL Manager

## **Highett RSL Veterans Welfare**

Highett RSL remains committed in supporting the welfare of our veterans and their families while continuing to support the wider community.

In 2018 the Highett RSL Sub Branch Veterans and Community Support Centre (Little House) was established two doors up from the RSL at 5 Station Street.

The Little House is also the Sub Branch library and displays our memorabilia.

The Little House will provide a place where service and ex-service members can engage with a welfare co-ordinator who will provide support and guidance relating to welfare issues. It is also where our military historian can provide information on a wide variety of military history.

The focus for 2019 is to reach out to our serving and ex-serving members and their dependants to ensure they have ready access to welfare pensions and appropriate health services. Our focus will also be to ensure that we promote and conduct appropriate commemorative activities. We will also set our sights on engaging younger veterans in order to welcome them in to the RSL community.

### **Welfare Activities**

From the Pensions & Advocacy perspective, we rely on the expertise of trained welfare officers from other Sub Branches and RSLVIC. We have one volunteer welfare support officer currently undergoing the Advocacy and Development Training Programme (ADTP) who should be qualified in 2019 /2020.

The role of the welfare support officer is to support individuals and their families who are experiencing emotional, financial or social difficulties or be able to refer clients to other support agencies.

The Sub Branch conducts home and hospital visits and where eligible, provides home maintenance assistance, clothing, food, transport and mobility services.

The Little House is open Mondays and Thursdays as a 'drop-in-centre' to provide welfare support and a social outlet for veterans, members and the wider community. The Little House is open on Wednesday when the Friendly Club conducts information and social activities.

The Women's Auxiliary numbers have grown and continue to raise funds through raffles and other fund-raising activities. They provide charitable donations to the wider community as well as the Sub Branch community.

## **Spring Carnival at the RSL**

Spring is in the air and for any punters reading this that means only one thing.... The spring racing carnival!

If you're heading to the races or just fancy a punt the RSL has you covered. With state of the art betting facilities, friendly staff that can help you put a bet on and as always chilled champagne is available at any hour.

Early opening hours on selected race days means you'll never miss the jump and with all the latest material on display you'll know of any scratching or changes well in advance. We look forward to seeing you in the club.

## **Melbourne Cup 2018 Calcutta Sweep**

By now you may have noticed the Calcutta tickets on all the tables in the bar, this annual occasion on cup eve is a fantastic event and usually one pencilled in most members diaries months in advance.

This year it lands on the 5th of November and will commence at 7pm. The bistro will be serving till 8.30pm as per usual and tables are being booked out fast.

How does it work? Tickets (\$2) are currently available in the bar, payments of cash made over the bar. On the evening 24 tickets are drawn, if your name is drawn you get a horse. Then the fun begins, starting with the first horse each one is auctioned off to anyone who wants to buy it. If you own it but want to buy it, you only have to pay half the auction price. Once the final price is set, half goes to the original owner and half to the prize pool. By the end of the night all 24 horses are auctioned and a total prize pool set then all we have to do is wait for the Melbourne Cup to be run.

If your horse should come first you get 5/8 (63.5%) of the prize pool, second 2/8 (25%) and third 1/8 (12.5%). Last year's prize pool was \$3,207!

## WOMENS' AUXILIARY REPORT

It gives me great pleasure in providing you all with a report on the Women's Auxiliary for the second time this year. The Women's Auxiliary have continued to support the Sub Branch and the wider community by raising funds through raffles that you all have supported and we thank you for that.

It has been a busy six months and I am pleased to say we have three new members, Linda Manning, Catherine Haggart, Jennifer Marr which means our numbers have doubled since the start of this year. We also have welcomed Roger Hyde a committee member of the club who has been appointed to support us – Thank You Roger you have been great showing your enthusiasm and interest in our work.

**However, as there is so much to do we are always seeking more members. So if you have one hour or many hours we welcome your contribution.**

We attended the RSL Women's Council & Auxiliary 85<sup>th</sup> Conference which was held at the Box Hill RSL, in August, 2018 which had more than 100 women from all over the state. In attendance was the Victorian RSL President Dr. Robert Webster OAM and we were very pleased to hear his glowing report and his support regarding the Women's Auxiliary.

The Women's Auxiliary is strong and continues to grow across the state which can only benefit those in need. On that note, we provided significant funds to organization who provide direct support to the wider community such as Flying Doctor Service, Sandringham Hospital, The Florey Institute Neuroscience and many more. We also support the Sub Branch by providing funds to enable the up keep of our memorabilia and in particular our donated war medals.

As you would know our raffles are the main stay in generating our funds to support those in need. I congratulate those that won the raffles and those that assisted in putting the wonderful prizes together.

As we are marching in to **Remembrance Day** we will be heavily involved in the selling of poppies and assisting the **BBQ stand at BUNNINGS (5<sup>th</sup> to 8<sup>th</sup> November)** This will be a huge event and I know we are up to the challenge, with your support of course.

**We look forward to seeing you all at the REMEMBRANCE DAY SERVICE.**

**'We Also Serve'**

**Gladys Procter** – President Womens Auxiliary.
